

Majestic Creek Golf Club

Majestic Creek, nestled in the foothills approximately 20km from Hua Hin, boasts a recently revamped and upgraded 27-hole course, now recognized as one of the premier layouts in the area. Ongoing enhancements ensure a top-tier experience, although some areas may still be undergoing renovation.

The course presents a formidable challenge, with numerous tee shots demanding precision to navigate water hazards and strategically placed bunkers. Course A, known as the Creek Course, offers a mix of manageable and more demanding holes. The par-4 opener is relatively straightforward, but challenges escalate with the second hole featuring a daunting ditch before the green. The third hole, another par-4, presents narrow landing areas flanked by bunkers, while the fourth introduces the first par-3, characterized by water hazards and bunkers. The fifth, a challenging par-5, requires careful navigation around water obstacles. The ninth hole, a sharp dogleg right, poses a final test with water and bunkers guarding strategic lines.

Course B, the Lake Course, provides its own set of challenges, beginning with an intimidating tee shot over the lake. The third hole features a sizable bunker protecting the green, while the fourth offers a demanding par-5 with well-placed bunkers. The sixth hole, a captivating par-4, tempts players with a rewarding approach to the multi-tiered green. The course culminates with a formidable 590-yard par-5, demanding precision to navigate water hazards.

While the newly laid greens at Majestic Creek are still maturing, they present a challenge with their deceptive speed. The fairways, however, are in excellent condition, offering opportunities for strategic play. Course C is currently closed for renovations.

The clubhouse, extensively renovated, offers all amenities expected, including equipment rental, a pro shop, and an open-air restaurant serving a variety of dishes and drinks. Practice facilities include putting greens, a chipping area, and a driving range, with the added convenience of shared

buggies.
